

AG Shelter Series

Run-In Shed 12 x 20 x 8 ft. / 3,7 x 6,1 x 2,4 m

Equine Run-In-Shed - The Original Instant Equine Shelter. Delivers Easy Shade & Protection.

- Specifically designed for equine and livestock, the Equine Run-In-Shed is constructed using high grade steel. Every frame tube and connector goes through a proprietary steel surface preparation process.
- Professional grade 1-5/8 in. / 4,1 cm outside diameter all steel frame, bonded with a premium powder-coated finish resists chipping, peeling, rust and corrosion.
- Advanced engineered, 3-layer, chemically heat bonded, enhanced polyethylene, rip-stop fabric cover with hot air fused seams that are 100% waterproof. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents. High profile white interior lining provides enhanced illumination.
- Slip fit connectors and swedged tubing make for easy assembly. Bolt hardware at every connection ensures a solid structure.
- Ratchet Tite™ tensioning enables quick cover installation. Easy Slide Cross Rail system locks down and squares up frames.

Great For: Horses, hay, storage, livestock & farm equipment.
